		29.5	WGN

IVS Channels are available for free, to anybody who already has a cable-television outlet. ETV is available to Residence Hall, MSU Apartments and ETV Cable TV Subscribers.

Digital Channels are broadcasted using "ClearQAM" technology. This technology is available in most newer televisions, digital VCRs, and cable converter boxes. You can find out more at the CableTV Website at <http://cabletv.msu.edu>.
